- 2 – Antique brass scarab pendants
- Assorted faceted glass beads: 3mm, 4mm, 6mm
- Chain nose pliers
- Bent nose pliers
- Round nose pliers
- Diagonal side cutters
- Bead mat
- Protective eyewear

TIPS AND TRICKS:

- **Play It Safe:** When you cut or bend findings, always wear protective eyewear to shield your eyes from potential fly-away metal.
- **Closed Case:** Can't seem to close your jump ring all the way? Use your pliers to gently twist the ends forward and backward while you squeeze them together.
