## NOTECARD SET

### SUPPLIES:

- Butterfly mix & match die
- Owl mix & match die
- Patterned cardstock or paper
- Cards and envelopes
- Adhesive & dimensional squares
- Glitter glue
- Pearls
- Word sticker
- White pen
- Scissors

### DIRECTIONS:

1. Embellish white notecards by adding patterned paper to front, making slightly smaller than size of the card to leave a white border.
2. Cut a  $\frac{3}{4}$ " wide banner to fit across bottom of card. Add clear word sticker to left side.
3. Die cut and emboss owls. Embellish by rubbing ink over the top and draw in details with white pen. Add owls to banner.
4. Repeat this process with other notecards. Stack notecards and envelopes together.
5. Create a belly band for the notecards by cutting a strip of paper about  $1\frac{3}{4}$ " wide. Wrap it around the cards and envelopes, leaving a bit of slack so that you can slide it on and off, and then adhere the ends to make a loop.
