and everything in it's jar!

Stylish storage that “clearly” works!

Here is a fabulously classic way to store all your collections, and all the while creating visually interesting displays. Glass jars are the perfect storage solution for everything from office supplies to hobby tools and embellishments. With such an array of inexpensive clear plastic containers and the many sizes available of glass jars everything will have it's place and being organized will become fun and easy.

For a stylish touch design pretty easy to read labels and tags for your containers. Don't forget beautiful ribbons, by tying or adhering to the jar lids they can bring color and help coordinate your whole storage collection. Another great idea to save shelf space, use screws to attach mason style jar lids to the bottom of your shelves and hang your jars.
