scrapbook

Scrapbook Album, Ribbon,
Rhinestones, Sequin Trim,
Scrapbook Paper, Rub-Ons, Adhesive

To finish off this blissful collection we made a cute scrapbook. First, layer two ribbons together and adhere them to the scrapbook album. Next, make a daisy design out of sequin trim and adhere to the scrapbook album as well. For the center of the daisy, cut a circle out of scrapbook paper, embellish it with rhinestones, and put it in the center of the daisy. Finally, we used rub-ons to add a personal touch.

precious tags

Card Stock, Hole Punch, Scrapbook Paper,
Rub-Ons, Ribbon, Embellishments

To make a pretty tag, cut a tag shape in the size and shape you prefer from card stock. Use a hole punch to put a hole in the top of the tag. Next, add a message with a rub-on transfer. Then add decoration from shiny rhinestones to versatile sequin trim. For a final flourish, thread a short piece of ribbon through the hole at the top of the tag, and tie it closed.
