PRODUCT INSPIRATIONS

Ribbons & Rosettes Cartridge

Look inside for instructions on how to make these projects using your favorite Cricut tools.

Sweet Tooth Boxes Cartridge

Sophisticated Cartridge

cricut™ cartridges

Rosette Décor

Materials:

- ☐ Cricut Expression® 2 Electronic Cutting Machine or any Cricut® cutting machine
- ☐ Cricut® Everyday Cartridge, Ribbons & Rosettes
- ☐ Terrifically Tacky Tape®
- ☐ Various shades of pink cardstock
- ☐ Black and white string
- ☐ Hot glue gun

Cartridge Cuts:

Ribbons & Rosettes cartridge

- ☐ 2.25" to 5.5" rosette pieces
- ☐ circles

Instructions:

Step 1 Cut four rosette pieces and two circles for every rosette. Vary sizes, color, and rosette designs as desired.

Step 2 To create rosettes, adhere the four pieces together in a long strip and accordion fold. Glue ends together. Turn decorative edge out and flat edge in to create rosette. Use hot glue gun on center and cover both sides with circles to secure.

Step 3 Once rosettes are secure, adhere varying lengths of string behind rosettes. Hang rosettes as desired.

Customize this beautiful décor by changing the colors, designs, and sizes!

Make this project with the Cricut Expression® 2 machine or use the Cricut Mini™ machine and Cricut Craft Room™ design tool.

Sweet Cake Box

Materials:

- ☐ Cricut Expression® 2 Personal Electronic Cutter
- ☐ Cricut® Projects Sweet Tooth Boxes cartridge
- ☐ Cuttlebug® Embosser and Die Cutter
- ☐ Cuttlebug® A2 Embossing Folder, Swiss Dots
- ☐ Cardstock: blue check, yellow check, pink, pink floral, pink with words
- ☐ Tulle: white
- ☐ Metal flower embellishment
- ☐ 1 ¼" Circle punch
- ☐ Paper trimmer
- ☐ Hot glue gun
- ☐ Adhesive

This cute little box takes the cake!

Instructions

Step 1 Cut cake box. Using the Sweet Tooth Boxes cartridge and blue check cardstock, cut one 11" <Cake>. Using pink with words cardstock, cut one 11" <CakeLy1>. Using pink floral cardstock, cut one 11" <CakeLy3>. Using pink cardstock, cut one 11" <CakeLy2>. Emboss pink strips using Cuttlebug® machine and Swiss Dots folder. Assemble box as shown.

Step 2 Cut tag. Using yellow check cardstock, select **Real Dial Size** and cut one 1 ¾" <TrngLy4>. Using pink with words cardstock, select **Real Dial Size** and cut one 1" <CakeLy4>. Layer together.

Step 3 Cut two 1" strips of yellow checked cardstock. Fold in ½" increments. Use hot glue gun to adhere strips together to form a pleated circle.

Step 4 Punch a circle from pink cardstock. Emboss using Cuttlebug® machine and Swiss Dots folder. Adhere to center of pleated circle. Attach flower embellishment.

Step 5 Cut one 7" x 12" strip of tulle. Fold in half. Use hot glue gun to adhere behind pleated circle. Adhere pleated circle and tag to cake box as shown.
