

sweet  
temptations

Celebrate your kitchen by crafting with this yummy collection of coordinating papers and embellishments!

### recipe cards

You're a card-carrying member of the "loves to share her cooking" club, and these yummy recipe cards are just what you'll need to get your best recipes ready for the swap. Bake a whole set by layering patterned papers with hand-stamped cardstock. Then mix in cute, coordinating embellishments to sweeten the deal.

### recipe box

Love scrumptious storage? It's even more fun when you decorate it yourself! For a recipe box that brings your love of baking to the table, paint a bare wooden box (available in the Craft Dept.) with acrylic paint. Then decorate with patterned paper, alphabet stickers, buttons and tags.

### treat sacks

These tasty little treat sacks are the cherry on top and couldn't be easier to create! Transform simple brown sacks with darling patterned papers, designer ribbon and plenty of fresh-baked embellishments like colorful buttons and coordinating tags.

## tag-topped lid

A canister collection should never be half-baked! Cook up a coordinated set when you decorate a collection of simple glass tilt jars. This deliciously dishy storage features cutie-pie coordinating papers and oodles of sweet, matching embellishments—we used polka dot ribbon, alphabet stickers, smart little tags and more. They're perfect for cookies, candies and kitchen tools!

## make it, bake it memo board

Make organization short and sweet with a hand-decorated memo board—one that's made from a recycled cookie sheet! Painted white and displayed on a pretty gingham ribbon. This one features bright patterned papers, fun coordinating stickers and a pocket made for keeping up with the meal at hand.

## yummy-tummy tool kit

It's fun to fill a jar with the tricks of your trade. Especially when the jar is as cute as this! It's decorated from scratch with gingham ribbon, patterned paper and a fun, coordinating tag. **Tip:** Want to give your tool kit an easy lift? Try displaying it on a petite cake stand as shown.

### partyware

Need tableware to match your party? Decoupage patterned papers to the bottom of clear glass plates! Want some décor that also acts as favors. Wrap metal cookie cutters with strips of patterned paper. Turn your napkin rings into adorable bundles by using strips of patterned paper and coordinating tags.

### treat bag favors

Create favors in the form of a homemade snack! And be sure to make the packaging part of the fun! To make these tasty treat bags, dress up cellophane bags with sugar-sweet paper, folded right over the top and stapled in place. Then add yummy embellishments, like whimsical stickers and eye-popping gemstones.
