vintage sparkle (1)

Love the vintage look of art deco? This design features ornate chandelier findings, dripping with metal tassel pendants and twinkly crystal chains.

full circle (2)

Textured loops look lovely on a pair of lever back earrings. These come as you see them—just attach with a jump ring to dangle. We paired ours with some sassy heart chains.

keep it celtic (3)

Silver is simple and stunning with a set of Celtic knot pendants. A jump ring . . . some hook ear wires . . . and you have it made!

high shine (4)

A little alteration goes a long way! We rearranged this layered pendant to make room for a tassel and some crystals. Don't be afraid to change up a readymade style. Pliers, please!
