ceramics à la mode

Use everyday craft supplies — everything from scrapbook paper, rub-ons, to monogram stencils — to turn basic ceramic plates into stylish home accents.

Add old world charm...with flocked scrapbook paper, velvet ribbon, and an antique brooch.

What an elegant display...with classical rub-ons, velvet ribbon, and a hand-beaded hanger.

Time for high drama in rousing red...with scrapbook paper, velvet ribbon, pearl trim, and a vintage necklace hanger.

Make a bold statement, using gold leaf as the base, a stenciled monogram, and velvet ribbon.

pretty plaques

Vintage Parisian postcards are the focal points of these delightful ceramic plaques.

We layered pretty-in-pink cardstock, patterned paper, and vellum for the backdrops, then added glitter glue embellishment for sparkly detail. Finally, we crafted coordinating hangers from elegant glass beads and a pink satin ribbon. Easy on time and budget, these pretty plaques are perfect for displaying a collection of vintage postcards.
