monogram me!

{CREATIVE INSPIRATIONS *free* FROM HOBBY LOBBY®}

simply sweet... A yummy treat to take everywhere you go? Why not? This piece doubles up on cutie-pie appliquéés. The cupcake is one and so is the scripty monogram. We ironed on the letter, according to the manufacturer's directions. Then, we added eyelets before securing the design on a chain.

write on... It's not just a journal... it's a project full of personalized fun! We gave this blank book a brand new cover. It features a whole alphabet of fun, iron-on monograms applied according to the manufacturer's directions. Talk about "to the letter!" We even monogrammed a pair of coordinating bookmarks.

just joy
"Edgy" is the word for these unusual iron-ons. They're distressed monograms, and they're the perfect touch for our joyful throw. Hooray for fray!

tied up... This look is definitely fit to be tied. Spruce up his favorite neckwear with a handsome monogram. There's no need to break out the needle and thread...these letters are easy-to-apply iron-ons. Choose a classic font, like the one shown here. It ties in beautifully to a day on the job!

classic keepsake

Something classic, something sweet. That's what you want in a pretty little keepsake. These dainty hankies feature beautiful embroidered monograms. Who would guess that they're iron-ons? They're perfect for bridal party gifts, mother's day gifts...even a sweet sixteen!

keep it fresh

A simple sachet gets some personalized appeal when you add our fun, iron-on letters. We made one for him and one for her...and it was as easy as following the manufacturer's directions. What a terrific gift idea!

fab feet... It's so much fun to sew a slipper, but what makes this cushy footwear even more divine? A pair of pretty monograms! We followed the manufacturer's directions to iron them into place. **Tip:** *Make your toesies cozy in slippers just like these using Simplicity pattern #4747 and fabrics from our extensive Fabric Department.*

« bling thing
You need a little more than a monogram? Sprinkle on some bling! This piece twinkles with a bevy of chic heat-set gemstones. They're easy to apply—simply follow the manufacturer's directions—and they add lots of sparkle to your personalized designs. OK people, it's time to shine!

chic shorts... Your creature comforts are your favorite things. And what could be more personal? Monogram everything from socks to tanks to a pair of classic boxers. It's easy with our extensive collection of iron-on letters. Just follow the manufacturer's directions to apply.

soft hearted »

You love to wear our versatile iron-ons, it's true. But our monograms are perfect for home décor too! This pretty pillow is better with letters! We chose a classic font and ironed it into place, according to the manufacturer's directions.
