

Cord COUTURE

Chains are charming, but sometimes you need a change. It's time to put your jewelry on a cord... literally! Wrapped, twisted or tied in a knot, our versatile cording is perfect for looks that range from casually chic to stylishly quirky.

BRIGHT Away

Color us happy! Our easy-to-use cording comes in a variety of colors and textures. For sophisticated pieces that absolutely pop, pair bold color with silver beads and findings. That's just what we did for these stylish and jingly little earrings.

Show me A SIGN

Peace...love...and cording! This peace sign charm was made to dangle, but we made it work by cutting away its metal loop and suspending it between lengths of colorful cording. Slipknots keep it snugly in place.

It's a **WRAP**
Super easy! Bare wood bangles are ready-to-wear when you wrap them in rows and rows of colorful cord. Use jewelry glue to hold ends in place.

Top **KNOT** »
What's not to love about these jingly earrings? Strands are knotted together and glued into a shiny silver cone.

«Yes, We **WOOD**
Plain wooden beads got a quick coat of paint before they were tied to lengths of fabulous cord and knotted onto jump rings. Voilà! Instant earrings!

≈ **CLASSIC** Clasp
Choose a clasp that complements your overall design. For this piece, we went with a stylish silver toggle.
