*Altogether Al Fresco... Create beautiful, all-weather décor with our extensive collection of outdoor fabrics. From bold florals... to sophisticated stripes... to elegant damasks, we have everything you need to design your very own outdoor oasis.*

**≈ such a softy...** These pillows and cushions are made for the great outdoors—that's because they're crafted from our beautiful weather-resistant fabrics. Kick back on some similar cushy couture by following Simplicity patterns #4124 and #3695.

« **chic shade...** A day at the beach is made in shade with the addition of this refurbished umbrella. We tailor-made this piece to fit on an existing frame. That means no pattern required. Simply measure, cut, sew and go!

### ⤴ **pocket change...**

Stylish storage is never a problem—not when you design it yourself! The pockets on our adorable dressing room provide a place to stow sunscreen, shoes and swimsuits.

### « **bag of tricks...**

This pretty paisley is printed on ordinary canvas. So, how did we get it ready for a rainy day? We covered it with sturdy clear vinyl! The bag is sewn from Simplicity pattern #3889.

**Tip:** When sewing, it's helpful to leave the paper liner on the vinyl to prevent the presser foot from sticking to the fabric. Simply tear it away when you're finished.

### ⤴ **best dressed...**

Quick changes are quite nice in this portable dressing room. The pretty fabric panel measures 6' x 14'. **Tip:** Love the cute gingham accents? They're not constructed from outdoor fabric. That means that this piece gets stored indoors when it isn't hitting the beach.

## open air opulence...

Exquisite exteriors are key to the ultimate in curb appeal. That's why this beautiful outdoor-friendly damask is the perfect addition to an oh-so-elegant porch. To make the cushions and pillows shown, look to our chic, weather-resistant fabrics and Simplicity pattern #4124.
