Turn recycled bottles into artsy keepsakes with cool, camouflaged embellishments. We covered the larger bottle with sturdy cardstock stickers and fun ribbon trim. On the smaller bottle, we used decoupage glue to adhere random strips of ink-distressed scrapbook paper. Then we attached a dog tag, made from a handy paper tag, fun letter tiles, and ball chain.

 Make a trio of frames for a company of heroes. We began with blank paper-maché frames. We covered them with camouflage scrapbook paper, aged them with distressing ink, and embellished them with valiant, military stickers. We completed this keepsake by linking the frames with lengths of coordinating scrapbook ribbon.
