### memories by mail ^

An adorable addition to the gift table, the precious notes tucked inside this paper maché mailbox will be keepsakes for mommy and baby long after the shower. It features houndstooth and polka-dot papers and is beautifully embellished with organza ribbon and nursery cutouts.

### take the cake! »

There's no icing on this cutie-pie diaper cake, but that doesn't mean it isn't sweet. A practical gift for the mommy-to-be, it doubles as a whimsical centerpiece. The piece is built on a sturdy foam core base and is decorated to precious perfection with patterned papers, layers of ribbon, and an embellished chipboard letter. Tip: Create this same look using onesies or wash cloths... whatever mommy needs!

## favor-ite things!

Pretty papers are the key to these hand-embellished favor bags. And they were so much fun to make too! We covered blank white paper sacks with our sweet coordinating papers. Then we added grossgrain ribbon and polka-dot cutouts for interest. Hand-stamped tags complete the look—they were punched with a petite hole-punch and attached with miniature safety pins.

## bright invite »

You'll have no trouble gathering guests when you send out this delightful invitation. It's made with a bevy of bouncing baby papers. The card is accented with brown ink, embellished with shiny chipboard letters, and adorned with delicate green ribbon. Tip: Love the stork and buggy icons?

We cut them right out of the patterned paper and used them as cute embellishments.

## « the guest list

This pretty guest list transitions easily from the gift table to a memory book. What a treasured way to remember baby's special day! For this project, we layered sheets of coordinating papers with hand-cut patchwork embellishments, and used self-adhesive chipboard letters to create the simple title.

## congratulations banner

It's a special day for a baby shower, and this sweet flag banner is the perfect way to set the mood! Featuring adorable papers, embellished chipboard letters, nursery icons, and handy little eyelets and bows, it's all displayed on a length of cute polka-dot ribbon. The finished piece can be hung for the shower and then sent home with Mom to be stored as a treasured keepsake.
