

Sterling silver findings, beads and components will add a silver lining to all your jewelry designs.

be a jewel

Jewel tones get a beautiful glow when paired with fine sterling silver. Dot a silver headband with amethyst-colored beads, or hang a turquoise pendant on a silver chain. Whether it's funky or elegant, when sterling silver meets bold, brilliant color, you can't go wrong!

sterling silver style

free spirit

Bring natural elegance into its own when you combine earth tones and textures with luxurious sterling silver. With radiant chains, luminous beads, and gleaming findings, sterling silver makes bohemian chic more than fresh, it makes it fabulous!

simple sophistication

From simple to sophisticated, sterling silver finish as a stand alone design makes a dramatic statement.
