

school days, full days

For school days and every-days, create personalized frames with easy-to-use nickel finish letters. Turn this shiny alphabet into names, dates, and descriptions to mark your little one's favorite moments of the year. And for extra credit? Add everything from painted tin embellishments, rhinestone swirls, to self adhesive gemstones.

Creative embellishments for picture perfect frames and photo mats.

adorn a day... A trip around the world or a weekend on the beach... both look brighter with a boost from a trip of beautiful metal words. Layer with coordinating cardstock for the look shown.

frame a friend... Create a gift that's girly and sweet! It's easy with a simple white frame, vibrant chipboard embellishments, including metal charms and words, self-adhesive gemstones and a pretty little plaque.

easy elegance
Wedded bliss is a framed affair with these beautifully romantic embellishments. It's easy to create a one-of-a-kind frame to remember your special day. Highlight your cherished photos with nickel finish letters, rhinestone swirls, metal plaques and words, and more.

decorated soldier
Military medallions help to make a heroic home for photos of your favorite soldier. With shiny metal words, nickel finish letters, and a diverse assortment of charms and adornments, we turned these ordinary frames into a pair of touching tributes.

charmed life... Express and accessorize? It's a dream come true! This project features a host of teen-dream embellishments, including metal charms and phrases, self-adhesive gemstones and a pretty little plaque.
