

» **pick a lock** Use charms, findings and trinkets in unexpected ways. Instead of hanging them on a chain, glue them to a ring base to create a wearable collage.

» **bird's eye view** A pair of pendants and a collection of gears go hand-in-hand on this pocket watch inspired design. It's the perfect mix of whimsy, romance and industry.

» **gearfully yours**  
We tinkered our way to this industry-meets-romance design. It features a hand-modified blank plate, an antique-style gear and a pair of faceted beads.

« **cog collage** Clock parts lend themselves to steampunk's "tinkered-with" aesthetic. That's why a watch face pendant makes an ideal base for this collage-style necklace.

"To some, 'steampunk' is a catchall term, a concept in search of a visual identity. To me, it's essentially the intersection of technology and romance."  
--JAKE VON SLATT

» **i bee-lieve** Steampunk style always has an eye on the sky. And that means... wings! For this simple piece, we layered spokes, gears and a dainty little bee.

« **victorian vines** Here's a touch of steampunk on a pair of fully functional barrettes. For this look, connect spokes, gears and storybook-style vines using simple brads.

**A**NTIQUE MACHINERY... MEETS MODERN DAY SCIENCE...MEETS VICTORIAN ROMANCE. THAT'S THE NEW DESIGN TREND CALLED STEAMPUNK! AND WE'VE GOT EVERYTHING YOU NEED TO MAKE IT YOURSELF...SO LET'S GET STARTED!

the steampunk story

⌘ **bygone bezel** This steampunk collage features printed paper and vintage-style charms, all artfully arranged under clear resin.

**Steam-punk (n):** A design aesthetic that focuses on a fusion of modern technology, steam-powered machinery and Victorian romance. Strongly influenced by the writings of Jules Verne, H.G. Wells and Mary Shelley.

» **insect aspect** Layers of rugged leather cording set the scene for cog-like beads and an ornate bee pendant on this flyaway steampunk design.

« **vial beguile** Hardware becomes art for these unusual earrings. The wire-wrapped vials are filled with an interesting collection of tiny spacer beads.

« **well spokes** Keep these ornate pendants under lock and key! Paired with a simple gear, they're just the thing for a whimsy-meets-mechanics design.

**key quest** What opens the door to days gone by? A collection of fashionable skeleton keys! These are ready to wear on a simple linked chain.

**duly noted** Love letters, clock faces and plenty of industrial-style trinkets... that's the spirit of steampunk. And we put it on a chain!

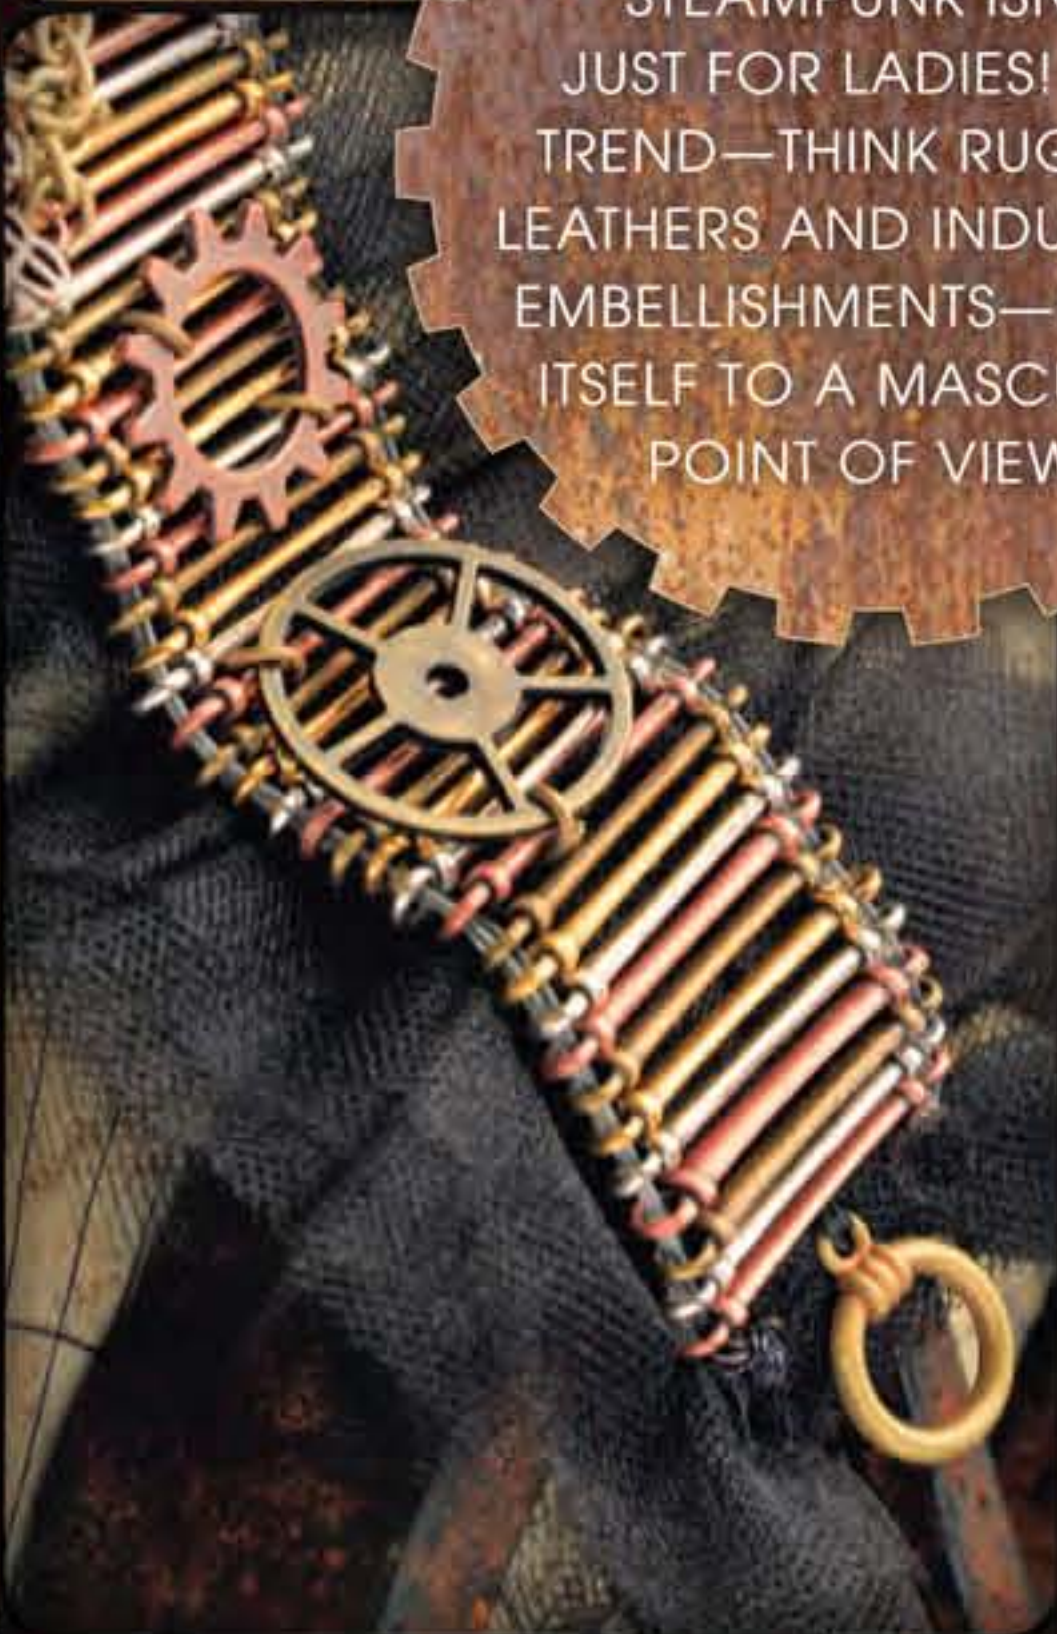

» **in flight** Air travel is an integral part of steampunk design. That's why wings and keys make perfect sense on a pair of quirky earrings.

**ATTENTION GENTLEMEN!** STEAMPUNK ISN'T JUST FOR LADIES! THIS TREND—THINK RUGGED LEATHERS AND INDUSTRIAL EMBELLISHMENTS—LEND ITSELF TO A MASCULINE POINT OF VIEW!

⌘ **clock thought** Time travel... changing times... time gone by. This watch-style piece combines jewelry and scrapbooking components on a chic leather band.

⌘ **gadget grace** Mix sturdy hardware with feminine textiles to create romantic, yet industrial, designs. This piece features metal... and tulle.

» **comely compass** Go heavy on the leather for ruggedly romantic steampunk appeal. This piece features leather bands altered with embossing ink, then machine-stitched together.

« **well spring** Wire wrapping, gears and metal flowers? Mix them up on your machine-inspired designs. That's just what we did on this fabulous metal cuff.
