### **a fresh approach...**

Whimsy rules on this contemporary cross (A). It features two crosses, acrylic paint, silver leafing and black self-adhesive crystal swirls.

**tile beguile...** Faux mosaic tile embellishments adorn the lower cross, while the top cross combines modeling paste for texture and acrylic paint (B).

### **in good faith...**

Woodburning was the way to this intricate design, worthy of any church pulpit (C). The finished piece was sealed with a wipe-on stain and varnish.
